

CANCELLATION POLICY

We at Bryan Physician Network have a no show policy in place that states that if you No Show for three appointments you will be considered for termination of services at this clinic. It is important to us for scheduling purposes that you call and let us know if you are going to miss an appointment. In order to treat our patients effectively we ask that you give 24 hours notice if you need to cancel an appointment. We understand that emergencies do happen, but if you no show or cancel consistently without calling or giving advance notice termination will be considered.

Definition of No Show: Not calling prior to your appointment and not showing up for the appointment that you scheduled. If you call anytime after your scheduled appointment time this is considered a No Show.

Signing this form shows you understand the importance of calling in advance to cancel an appointment. Termination of services can and will happen with three or more no shows to appointments and consistent cancelling of appointments.
